

# REVOTEX3 SU-180 sublimare

8 x CMYK

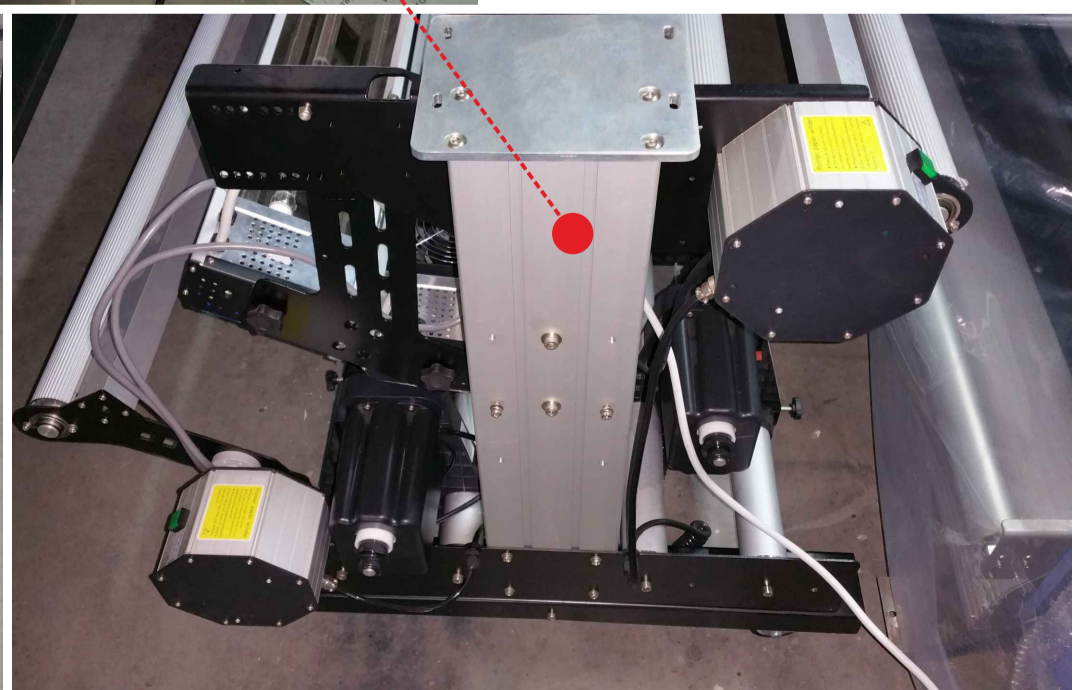

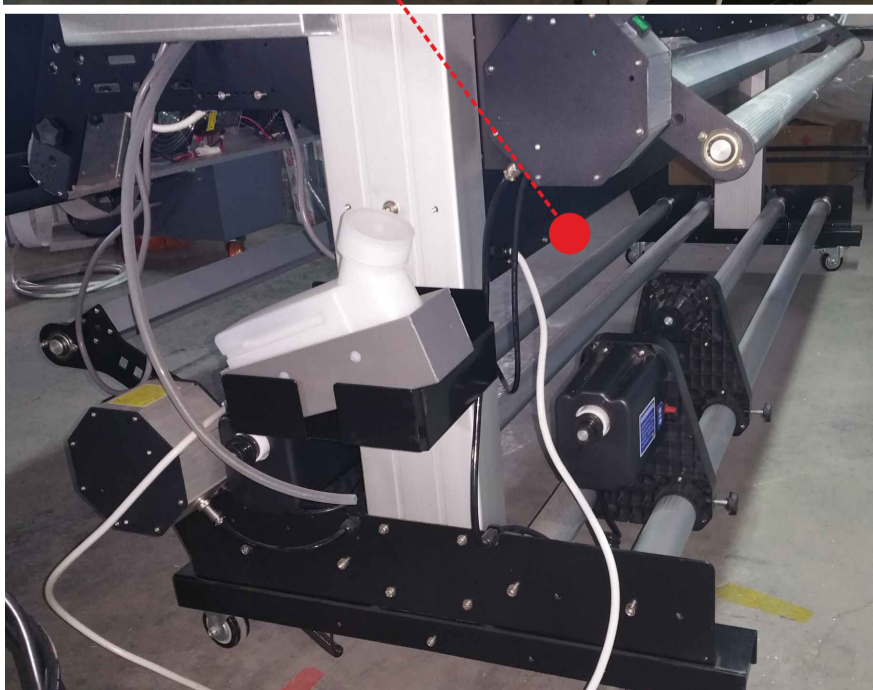

constructie compacta,  
integral metalica

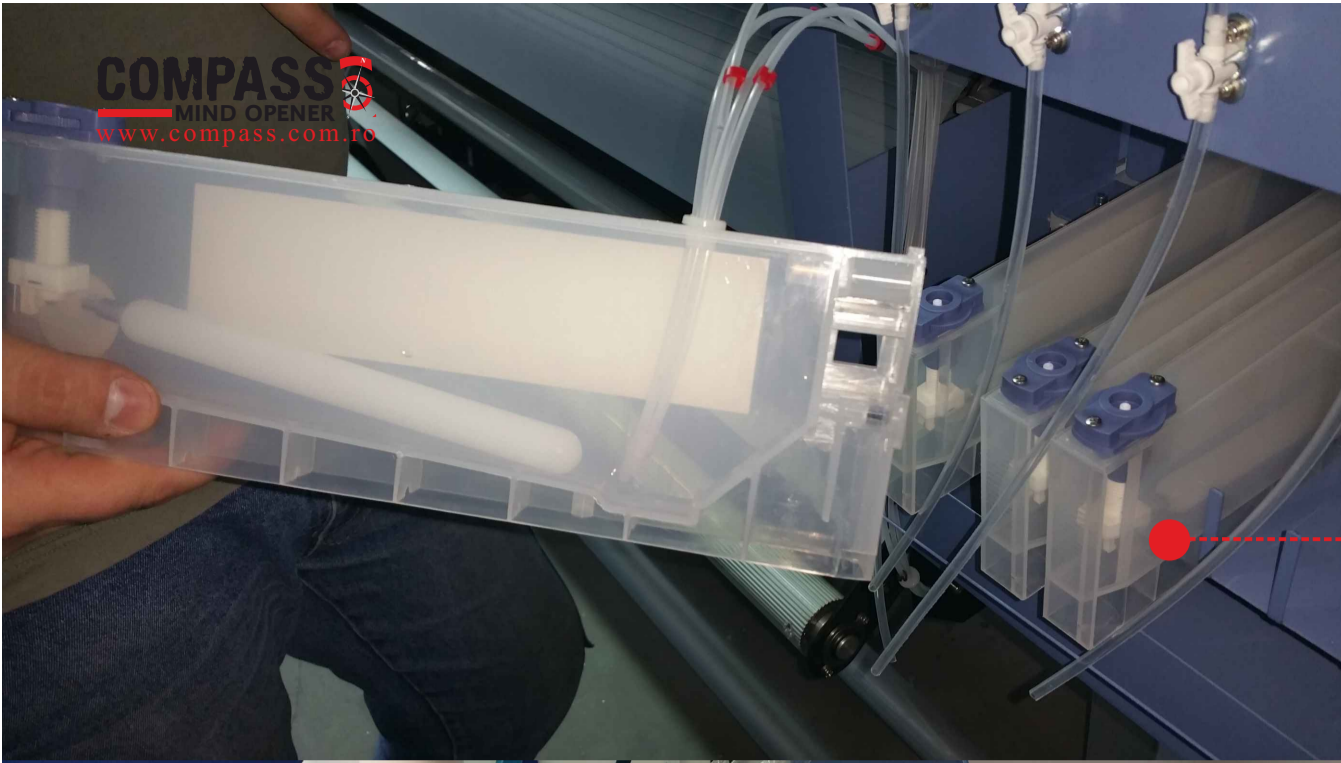

sisteme automate de  
curatire

sisteme automate de incarcare,  
preluare si tensionare media

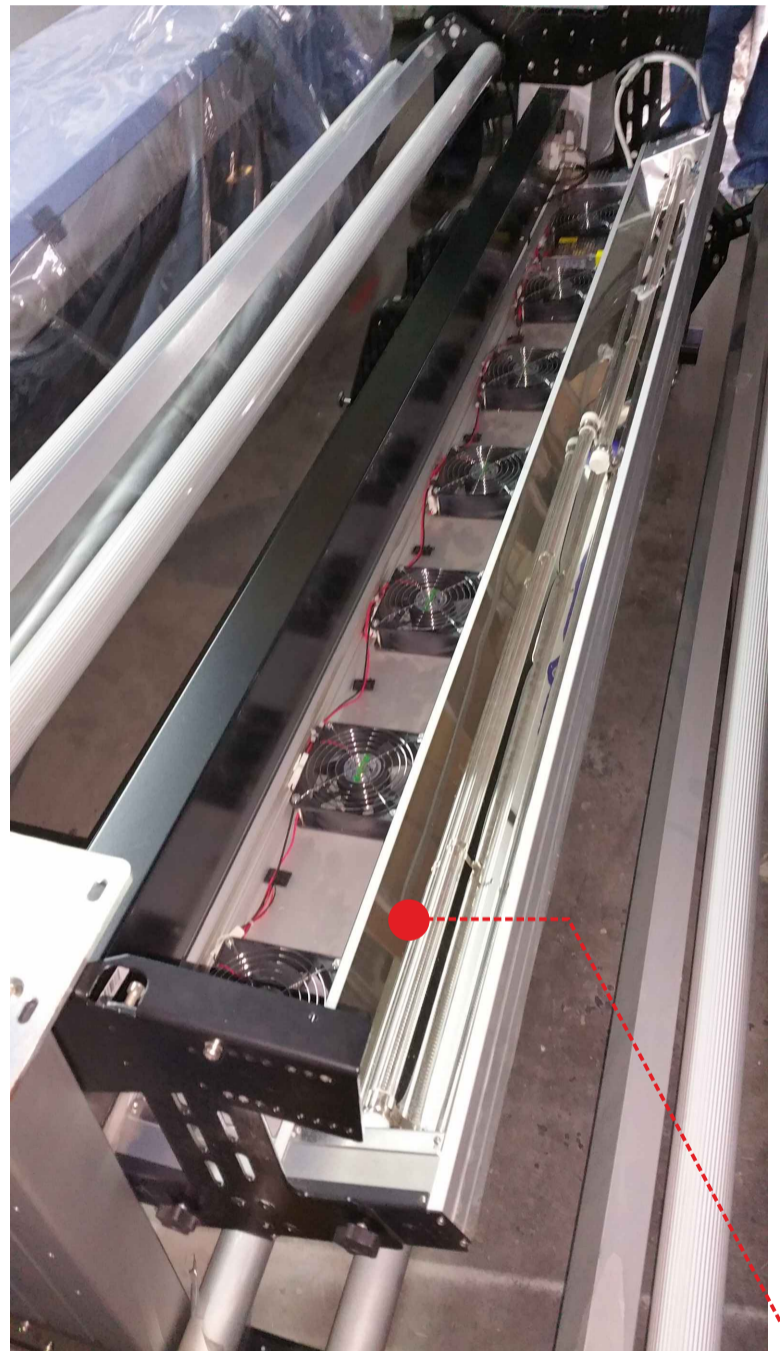

REVOTEX3 SU-180  
sublimare

sistem alimentare continua

doua capete Epson piezoelectric

baterie uscare IR si ventilatoare

sisteme preluare, incarcare si tensionare automate

viteza mare de lucru

tensionare foarte buna

REVOTEX3 SU-180  
sublimare  
Sistem de fixare vertical  
VF-A170

design compact

reglaj electronic  
temperatura  
viteza

capac etanseizare izolat  
(nemontat in imagine)

include exhaustor  
optional filtru carboon activ (miros) si HEPA (particule)

incalzire uniforma
